On July 4, 2026, our nation will commemorate and celebrate the 250th anniversary of the signing of the Declaration of Independence.

The journey toward this historic milestone is an opportunity to pause and reflect on our nation's past, honor the contributions of all Americans, and look ahead toward the future we want to create for the next generation and beyond.

Independence Day, known colloquially as the Fourth of July, is a federal holiday in the United States commemorating the Declaration of Independence, which was ratified by the Second Continental Congress on July 4, 1776, establishing the United States.

The Founding Father delegates of the Second Continental Congress declared that the Thirteen Colonies were no longer subject (and subordinate) to the monarch of Britain, King George III, and were now united, free, and independent states. The Congress voted to approve independence by passing the Lee Resolution on July 2nd and adopted the Declaration of Independence two day later, on July 4th.

FROM THE COMMANDER

Hello Legion Family,

Let me start by saying Happy 250th Birthday USA and Happy 4th of July to each and every member of our great Post Family.

I was very pleased to see many new faces showing Post support as your elected officers attended the 107th Department of Florida Convention in Orlando.

I mentioned to you last month, your Post was positioned for big things.

As most of you know, we are very active with our social media. Our Facebook and Instagram pages have over 1300 followers and its continuing to grow. We post daily to keep our membership up to date with the goings on at your Post, our community, and share important Veteran information.

David Hoffman leads the charge with this and does an incredible job. His hard work, dedication, and expertise was recognized at the State level with the following:

Blanton-Thompson
Post 155
Winner Best Post
Social Media Program
In recognition of your efforts for
promoting the programs of
The American Legion Department of Florida
2025-2026

We are very proud of this accomplishment, and each of you contributed greatly to it. You see, each follower, like, share, and comment help us reach more Veterans, their Families, and our community.

This vital tool, social media, allows us to be recognized in and by our community, it allows us to tell The American Legion story, promotes and supports our strength in membership.

A heartfelt thank you for supporting this effort, your team, and your Post.

More fantastic news coming out of the American Legion Department of Florida State Convention!

Please congratulate our very own Eric Linthicum on being elected as the Department Chaplain for the State of Florida.

This is a well-deserved and prestigious position, and we are very proud to have Eric representing our Post and serving Veterans across the State.

His dedication, compassion, and commitment to the values of the American Legion make him an outstanding choice for this important role.

Please join us in wishing him great success as he begins this new chapter of service. As we start our new Legion year together, I want to thank you for your continued support.

Together we have come far, but there is always work to be done for our members, and that will begin now.

(continued on next page)

FROM THE COMMANDER - continued

Your officers and I will be calling each of our members to check on you and see if there is anything we can do for you, but more importantly, listen to you.

This is your Post and your voice matters so expect to hear from us every few months.

Unity is something we will concentrate on immediately as we work hard to promote working closer as a family through communication, cooperation, and consideration.

This includes all our great volunteers as well because without you we simply can't operate.

Keep in mind that volunteers are not paid-not because they are worthless, but because they are priceless. They may not necessarily have the time, but they have the heart, and for that we are most appreciative.

As of this writing, we have been informed that the concrete pad for the Outback pole barn will be poured next week in time for our 250th Birthday Celebration.

Beverages of your liking, food, live entertainment, a waterslide, dunk tank and more will be available for you as we christen the new facility.

Wear your patriotic attire as our American Legion Family unites for this historic occasion.

I can't think of a better time and place to celebrate our Family's accomplishments!

In closing, I want to leave you with something to ponder.

It makes a big difference in your life when you stay positive. When a happy person walks into a room, it's like someone lit another candle on a birthday cake.

Optimism and a positive attitude are a happiness magnet so if you stay positive, good things along with good people will be drawn to you.

Now imagine if you can, what that same room would be like when negativity enters. Negativity can kill any organization in short order, and this great Post is not a place for it.

Post 155 Chaplain

Greetings, my American Legion Family.

It is my honor once again to be serving as your American Legion Post 155 Chaplain. First, I want to thank Chaplain Eric Linthicum for his service as chaplain for Post 155 these past 4 ½ years and to congratulate him in his new position as Florida Department Chaplain. May God bless him in his endeavors and safeguard both he and his wife, Linda, in the times and travels this new adventure affords them. Eric has left significant footprints for me to follow; with God's grace and the support of you, my Post 155 families, I pray I am up to the task.

Much has changed since I last served you as chaplain. As a Post and as individuals, we have collectively gained much and we have lost much. Many new members have joined 155, adding a new spirit, vitality, and energy that is much welcomed and greatly appreciated. Sadly, many members have answered the call of our Supreme Commander and joined that great eternal assembly in the afterlife. In memory of lost comrades, I challenge each of you to pick up the tools of their commitment, their dedication, and their love of Legion and country, and in their honor to follow the paths they forged.

Congratulations to the 2026-2027 Officers and Executive Committee of American Legion Post 155; Unit 155, American Legion Auxiliary; Squadron 155, Sons of the American Legion; and Chapter 155, American Legion Riders! Whether you agreed to serve this Legion Year in a new position or are returning to continue the work you began previously, know you have my full support as the Post Chaplain. We may not always agree on how a mission should be accomplished, but I trust we will always agree on reflecting the values and principles imbued in our American Legion Preamble. Together, may we serve our veterans, our community, our post, our families, our God and our country with honor and dignity.

Family members: as your Chaplain, I am here to serve you. If there is any way I can support, strengthen, or assist you, as a chaplain; as a fellow legionnaire; as a friend; please do not hesitate to call on me. I am here for you.

Remember always: Today is the day that the Lord has made. Let us rejoice and be glad in it. Wishing you good cheer and many blessings,

For God and Country

Patie Pule
Chaplain, American Legion Post 155

Auxiliary Unit 155

Greetings,

A big thank you to all of our past year's officers for the great year we had last year. As we begin our journey in to the new Auxiliary year, I also want to thank all of you who have stepped up and taken on an office or a program!

I look forward to working with all of you to make this year. My goals this year are communication and cooperation, not just within our Unit, but with all of our Legion family!

Our Girls State delegates have returned from the week of learning and teamwork in Tallahassee. I can't wait for them to attend a meeting to tell us about their experiences.

We have a new members Kelly Paradis, who will be reaching out to you to help coordinate our volunteers for our monthly breakfast. A huge thank you to Natalie Reeves for all the hard work over the past 2 years! Our July breakfast will be on July 12th.

Some of our Officers and chair people will be heading to workshop on July 24th and will be coming back with tons of information on our programs. We will have all of this great information at our next meeting on June 23rd. I hope to see you all there.

For God and Country
Michelle Cavalieri, President, Unit 155 American Legion Auxiliary

Squadron 155 Commander

Hello Squadron 155 Family.

Membership cards are available at our meetings on the first Tuesday of every month, starting at 7:00 PM. If you are not able to make the meeting, please call me so we can make arrangements to meet.

We host Friday Fish Fry the 3rd Friday of every month and Breakfast the 4th Sunday of every month. These two monthly events are major fund raisers for the charities we support. We could certainly use your assistance, just a few hours each month goes a long way, and I would be very grateful for your assistance.

Any questions, please call or text me at 484-368-6227. We are here for all of you - SONS Helping Veterans.

Robert "Humpty" Pizzillo,
Commander, Squadron 155, Sons of the American Legion

Chapter 155 American Legion Riders

Hello American Legion Post 155 Family,

This month we celebrate the birth of our nation, so let's take a moment to appreciate the country we live in. A lot of us have been deployed to other countries for extended periods of time and have experienced what other cultures' lives are like. We often take for granted of all this country has to offer and when you see how other nations live it really makes you appreciate what we have here in the USA.

As we enjoy the festivities the 4th of July has to offer, take a moment to give thanks to those who made the ultimate sacrifice to make this country what it is today. I hope you all have a great and safe 4th and I hope to see you all at the 4th of July party at the post, this will be the grand opening of the Outback so bring the kids and have fun celebrating 250 years of the American dream.

"For the Cause, Not the Applause"

Scott Herndon
Director, Chapter 155, American Legion Riders

Post Resource Officer

Hello American Legion 155 Family,

I am Janet Richards, your newly appointed Post Resource Officer and I look forward to serving all the members of Post 155 in this new Legion year.

The 3rd Monday of each month from 1-3pm Carrie from the DAV will be available to help file claims and answer your questions. Please take advantage of this resource at the post.

The Citrus County Veterans Partnership has been busy compiling a great resource list for Veterans in Citrus County that will be available at the post.

Please mark your calendar for 24 October 2026 for the 2nd Annual Stand Down at Post 155. All Veterans and welcome to attend and all the American Legion Families are invited to volunteer and check out all the resources.

I look forward to working with you all this year.

It's Early Bird Season !!

It's that time of year when we kick off our "Early Bird" membership drive starting July 1st. For our seasoned Veterans, you know all about our "Early Bird" program but for our new members, renewing 'early' helps us to achieve 50% membership renewals by the first week of September each year. For goals achieved, the Post receives awards and recognition at our annual Convention in Orlando.

For those members that took advantage of the 3-year renewal, you have one less thing to worry about. Membership cards for 2027 were picked up at Convention and they'll soon be out to you via USPS. We highly recommend members take advantage of the 3-year renewals. One less thing to worry about and you will be renewing at the current rate and avoid any potential increases that may arise. Keep in mind that the 3-year renewal can only be completed online with either a debit card or credit card. If you wish to take advantage of the 3-year renewal, I'd be glad to assist. Annual renewals are easy; you can renew online (debit or credit card required), send in your payment with your renewal notice, or stop by the Post and pay by credit card, check or cash. It's that easy.

We thank you and appreciate your continued support. We can't fulfill our mission of supporting our Veterans and our community without 'YOU'!
